

# CITY OF ARNOLDSVILLE CITY COUNCIL MEETING

March 4, 2019  
CALLED MEETING

Council Present: Mayor F. Spearing, IV Greg Banks Norma Craddock  
Danny Morcom Jack Norman Lee Norman

Visitors: Danny Sniff

6:00 PM - Meeting was called to order by Mayor George L. Spearing, IV

This called meeting was for the purpose of discussing the planning and development of a new city hall building. Mayor Spearing had reached out to two companies giving them a brief outline of what the city might be interested in for a new building. Danny Sniff was present to advise that he will be willing to guide the process with a company architect.

Greg Banks stated that he would first like to ask “what do we want this building to function as?” Norma Craddock inquired as to what the money limit should be. Banks stated that he had submitted the requested information to The Commercial Bank to determine what they could loan. He informed the council that the city should be able to get from \$200,000.00 to \$250,000.00 with no problem. Danny Morcom asked what size the city should consider.

After a lengthy discussion regarding size, pricing, materials, the bidding process etc., it was determined that Danny Sniff will do some preliminary drawings based on what he has heard from the council. He will work toward a building 45’ x 80’ in size. He will try to provide a construction budget as well as a total project cost budget. The Mayor reminded the council that since one third of the building would be dedicated to storing water supplies and future equipment purchased for the water system, 30% of the funding for the building can come from water funds.

The next called meeting to discuss Sniff’s findings was set for Monday, March 11, 2019 at 6:00 p.m.

8:05 p.m. Motion to adjourn by Jack Norman and a second from Greg Banks. Vote 5 - 0
