

# CITY OF ARNOLDSVILLE CALLED MEETING - ZONING

October 17, 2016 – 6:30 PM

Present: Mayor George Spearing, IV; Council Members: Greg Banks, Norma Craddock, Danny Morcom, Jack Norman, Lee Norman,; City Attorney, Danny Love

Observers: Joyce Sniff

This meeting was called to review and discuss the forthcoming process of implementing zoning for the city. City Attorney, Danny Love began by asking if anyone had questions after looking over the previous draft copy of the zoning information. He also supplied additional handouts containing amendments etc.

The discussion included the following items:

Land Use Manager or Code Enforcer (GB)

Lot width and depth (NC)

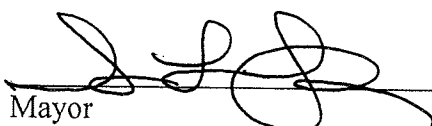

Definitions (JDL)

City Attorney Love advised the council to make sure the city takes enough time to review everything before passing zoning. He stated that the city should “do all we can to get it as good as it can be.” He also emphasized that as the city attorney, he will do what is requested of the council in reference to the implementation of zoning.

After more discussion of different aspects of zoning, it was mentioned that the “subcommittee had reviewed every page.”

In order to make sure all items have been looked over by the council, each council member and the mayor were assigned approximately 30 pages each of the zoning draft to review before the next meeting on October 27. A called zoning meeting will be held immediately after the regular Oct. 27 meeting to discuss any additional questions from the council.

8:10 PM Meeting adjourned on a motion from Greg Banks with a second from Lee Norman.
