July 29, 2024

Due to a possible lack of sufficient notice, the City of Arnoldsville Water System rates from July 2024 have been reduced to the prior rates. If you have already paid the first increased bill, you will receive a credit on a future water bill.

**HOWEVER, the current temporary water resolution rates and water restrictions (available on the City of Arnoldsville website or at City Hall) will continue in effect until further notice.**

TEMPORARY WATER RATES

1) INSIDE CITY LIMITS –

0-3,000 GALLONS (\$18.00) (same as current rate)

3,001-5,999 gallons –\$6.00 for each additional 1,000 gallons or part thereof above 3,000 gallons  
6,000—10,000 gallons--- \$10.00 per 1000 gallons for each additional 1,000 gallons or part thereof above 6,000 gallons

10,000 gallons and above—\$30.00 per 1000 gallons for each additional 1,000 gallons or part thereof above 10,000 gallons

2) OUTSIDE CITY LIMITS –

0-3,000 GALLONS (\$33.00) (same as current rate)

3,001-5,999 gallons –\$10.00 for each additional 1,000 gallons or part thereof above 3,000 gallons

6,000—10,000 gallons---- \$25.00 per 1,000 gallons for each additional 1,000 gallons or part thereof above 6,000 gallons

10,000 gallons and above—\$40.00 per 1,000 gallons for each additional 1,000 gallons or part thereof above 10,000 gallons

The City shall provide applications for extraordinary hardship reductions for water usage.

Mayor Danny Morcom

Council Members -Lillian Sanders, Norma Craddock, Joel Kriner, Joyce Sniff, Blake Arnold
