Council Present: Mayor F. Spearing, IV Greg Banks Norma Craddock
Danny Morcom Jack Norman Lee Norman

Visitors: Danny Sniff, George Spearing, III

6:00 PM - Meeting was called to order by Mayor George L. Spearing, IV

Danny Sniff distributed the preliminary plans he had prepared as well as a budget for the city hall building. He stated that he had confirmed some prices with a local contractor in town by the name of John Dement of DSI.

The council discussed and reviewed the plans with some questions and adjustments. It was decided that a change should be made to reflect that the section to be used to store water supplies etc. should be located at the back third of the building with an “open space” in the middle to be marked for future growth. George Spearing, III the Water Superintendent was present and made a suggestion regarding the position of the entryway for the water department to merely be swapped to the other side of the building. After a few minor adjustments and notes, Sniff will make changes based on the suggestions agreed on and submit his plans back to the council.

7:15 p.m. Motion to adjourn by Jack Norman and a second from Norma Craddock. Vote 5 - 0
