

**CITY OF ARNOLDSVILLE
CITY COUNCIL MEETING**

October 27, 2016 – 7:30 PM
(Called Zoning Meeting)

This meeting was planned at the end of the regular council meeting to further discuss the progress of the zoning plan for Arnoldsville.

Each council member plus the mayor had an assigned section of the draft copy of the zoning ordinances to review and report back to the council with a summary and any questions that they had after reading through their specific sections.

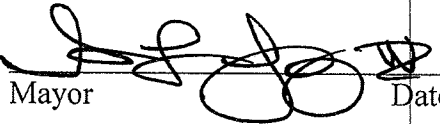

As each member presented their summary, an open discussion was held covering questions that may have come up.

City Attorney Love presented a new section that will be included entitled Nuisances.

After a lengthy discussion regarding the allowance of manufactured homes, mobile homes and modular homes, council member Jack Norman made a motion stating that “no additional manufactured homes would be allowed in the city limits.” Vote 5 – 0

All of these items discussed will be included in the DRAFT of the zoning ordinances that will be reviewed at the public hearing held by the city.

9:25 p.m. - Motion for adjournment made by Jack Norman with a second from Greg Banks. 5-0
