**PLEASE NOTE:** Water customers are responsible for damages to water meters that may occur from grass cutting and other outside activities. As a result of lawn mower damage, numerous water meters have to be replaced by the city each spring and summer.

Replacement charges for these damages including labor as adopted by the city are as follows:

**Antenna.....\$50.00**  
**Lid.....\$25.00**  
**Box.....\$50.00**  
**Damaged Lock.....\$25.00**

**Please be mindful of the location of your water meter to avoid additional damage charges.**
