

WATER LOSS PROTECTION AGREEMENT

The City of Arnoldsville, Georgia Water System (herein after “CITY”) and the PROPERTY OWNER (any person and/or entity who is a customer of the City of Arnoldsville, Water System, herein after “PROPERTY OWNER”) hereby agree as follows:

For the payment of one dollar (\$1.00) per month by the PROPERTY OWNER, the CITY shall pay up to one thousand dollars (\$1,000.00) per year (365 day period) towards a CITY water bill caused by a water leak on the property of the PROPERTY OWNER upon the PROPERTY OWNER:

- 1) Requesting a claim form from the CITY; and
- 2) Having the water leak repaired by a licensed plumber and/or other licensed water system professional; and
- 3) Providing receipts and billing on the letterhead of said plumber or licensed professional; and
- 4) Providing an affidavit that said water leak was not intentionally caused by the PROPERTY OWNER or his/her agents; and
- 5) Providing any additional documentation or actions that may be required by the CITY.

Said one dollar (\$1.00) per month shall be added to the monthly water bill of the PROPERTY OWNER unless the PROPERTY OWNER affirmatively “opts out” of said WATER LOSS PROTECTION PROGRAM.

Said Agreement only covers the payment of up to one thousand dollars (\$1,000.00) per year (365 day period) toward a CITY water bill and specifically excludes any other payments for repairs or any other damages.

This document is the entirety of the Agreement between the CITY and the PROPERTY OWNER concerning said WATER LOSS PROTECTION PROGRAM.
