

*****REMINDER*****

As a result of lawn mower damage, numerous water meters have to be replaced by the city each spring and summer.

PLEASE NOTE: Water customers are responsible for damages to water meters that may occur from grass cutting. Replacement charges for these damages including labor as adopted by the city are as follows:

Antenna - \$100.00
Lid - \$50.00
Box - \$100.00
Lock - \$50.00

Please be mindful of the location of your water meter to avoid additional damage charges.
