§6-1-1 PURPOSES

It is important for a community to appear clean, well kept, and generally clear of public nuisances, eyesores, and unhealthy conditions. The appearance of a community weighs heavily in the decisions of prospective residents and businesses in locating to a particular area. A clean, safe, and well-kept community can stabilize or increase property values, provide a healthy environment, and make citizens proud of the area in which they live. Accordingly, a community needs a set of regulations to keep the area clean, remove unsightly conditions, and prevent unhealthy and unsafe situations from occurring. It is therefore the purpose and intent of this Ordinance to encourage a clean, healthy, and satisfying environment; one free of nuisances, eyesores, and unhealthy, unsafe, or devaluating conditions. To this end, this Ordinance seeks to regulate and protect the health, safety, welfare, values, and aesthetics of properties.

§6-1-2 DEFINITIONS

For the purposes of this Ordinance, the following words are defined:

Abandoned vehicle: A vehicle, including cars, trucks, trailers, boats, motorcycles, recreational vehicles, mobile homes, manufactured homes, or any other similar vehicle, that meets one or more of the following conditions:

Nuisance: Anything that causes hurt, inconvenience, or damage to another, and the fact that the act done may otherwise be lawful, shall not keep it from being a nuisance. The inconvenience complained of shall not be fanciful, or such as would affect only one of fastidious taste, but it shall be such as would affect an ordinary, reasonable person.
